

CONFERENCE AND EXHIBITION
ON

"OPPORTUNITIES IN HIGH
GROWTH SEGMENTS OF
TECHNICAL TEXTILES"

12th July 2019

Silver Oak Room, India Habitat Center (IHC), New Delhi

Organised By

**INDIAN TECHNICAL TEXTILE
ASSOCIATION**

The technical textile products are being put to use by an ever-increasing number of end users in diversified industries such as agriculture, construction, roads, railways, health care, transportation, packaging, sports, environmental protection, protective wear and more. It has an immense scope and potential in India. To enrich knowledge about the latest global innovations on new technology & product development in high potential segments of Technical Textile through Nonwoven, weaving, Knitting and Processing technologies and for the benefit of all stakeholders, this conference and exhibition are being organized jointly by ITTA & NISTI.

ABOUT ORGANISERS

ITTA

THE INDIAN TECHNICAL TEXTILE ASSOCIATION (ITTA) is the only association of the technical textile industry in India. Formation of ITTA was facilitated by Office of the Textile Commissioner, Ministry of Textiles, Govt. of India. ITTA membership represents the entire technical textile value chain from raw material to finished goods producers, machinery manufacturers, consultants, centers of excellence and R&D institutes. ITTA has over 300 members. With the participation of its members, ITTA has formed focused Sectoral Committees on major technical textile sectors to promote, analyze the gaps in Technology, Government Policies, Quality, standardization, etc and formulate recommendation to competent authority for the growth of the respective segments of technical textiles.

NISTI

NORTH INDIA SECTION OF THE TEXTILE INSTITUTE (NISTI) is a constituent of Textile Institute, Manchester (UK), the world's largest and premier body of textile professionals from fibre to clothing and footwear. The Section is reputed for the seminars and conferences organized by it and is well known for its professional contributions to the growth and development of the textile industry as well as the technical textile industry in India, having organized its first conference on Technical Textiles in 1991.
