# NISTI Outreach Drive for Textile Fraternity

## NISTI's Mission

Historically, NISTI's association with Textile Institute, in India's perspective, goes back to 1910 when Sir Dorabjee Tata served on the Board of the Textile Institute, Manchester while it was set up under a Royal Charter.

NISTI has revamped its role of positively influencing the Textile Ecosystem, especially the industry Academia interface and Technological Up-gradation and Innovation. It has a 28 members Executive Council (EC) with stalwarts of Industry and a Patrons' Think-Tank with over 40 members. The EC has members from, Confederation of Indian Textile Industry (CITI), IIT Delhi, NIFT, PEARL Academy, TIT&S Bhiwani, PIET Panipat, NSUT etc and eminent Past Chairmen like Prof VK Kothari, Dr Sailen Chaudhuri, Dr Kuldeep Sharma, Dr Vinod Shanbhag, and Shri. Vijay Bhalla among others.

NISTI is a Technology Think-Tank for Textile Industry and a section of the Textile Institute (TI), Manchester set up in 1989 by the then Director, IIT Delhi, a group of IIT Delhi professors, Professors from Shriram Institute and Textile Industry stalwarts from leading institutes in India.

Lately in 2007 NISTI transformed itself into an Association of Persons registered under the Registration of Societies Act 1860 and rechristened as NISTI (Regd) or NORTH INDIA SECTION OF THE TEXTILE INSTITUTE (REGISTERED).

The NISTI's Executive Council and its membership have some outstanding experts in Textile Technology, especially in the areas of Design, Management, Art, Economics, Education, Engineering, Fashion, Marketing, Research, Retailing, Science, Sustainability, Technical and Medical Textiles. Thus, NISTI brings together professionals who work in setting professional standards, advancing knowledge and industrial practice; exchange of ideas; and building a social community promoting harmonious relationship among its stake holders. NISTI also works for finding professional talent for the textile industries; infusing textile education and training; recognizing excellence of industry /academic organizations and promotes knowledge.

NISTI has its own outreach drive (<https://nistiregd.in/nisti-registration/>) and is open for anyone to join as Patrons/Associates/Industry Associates/Young Change makers/Institutional Partners. NISTI allows joining as Patrons/Associates/Industry Associates/Young Change makers/Institutional Partners, through <https://nistiregd.in/nisti-registration/>.
